Secure Financial Management Issues a Challenge to San Antonio Pets Alive!
Local business and nonprofit join forces to spur donations from the community

San Antonio, TX- San Antonio Pets Alive! is proud to announce that Secure Financial Management, a boutique advisory firm, has issued a \$10,000 challenge match to SAPA! supporters. SAPA! has until the end of the year to raise the needed funds.

Secure Financial Management's owner, Jamin Kirkwood, decided to give to SAPA! due to a lifelong love of animals. He even has his own rescue pup named Kona. Jamin says, "Kona was rescued as a pup. She had a broken leg due to neglect, and her owner wanted to put her down as he would not be able to sell her. I rescued her back in 2014. She is a sweet girl. Animals like her who need our help are the inspiration for donations like this."

Jamin also feels the responsibility to help important causes as a member of the community. He says, "It is always important to give a voice to those who don't have one or cannot speak for themselves. Some of the most vulnerable in our society are animals. They cannot tell their story or seek out help when they need it the most. We need to be their advocates and protectors. This is just a small way we want to give back as corporate citizens to a community we love so much!"

SAPA! is grateful to Secure Financial Management for the support of SAPA!'s life-saving mission. The funds donated by Secure Financial Management and those raised by the public will go to support the programs of San Antonio Pets Alive, programs that help to save 5,000 cats and dogs from euthanasia each year. Those who would like to help San Antonio Pets Alive! meet this match may [visit the campaign on crowdfunding site Razoo](#). Corporations interested in giving back to their communities can learn more on our website, or call or email Krystal Mathis, Development Director at [210-570-6277](tel:210-570-6277) or krystal.mathis@sanantoniopetsalive.org.

About San Antonio Pets Alive!

San Antonio Pets Alive! is a life-saving nonprofit organization that solely rescues dogs and cats selected for euthanasia at the San Antonio City Shelter. We save these animals after all other options have been exhausted. Our vision is to make San Antonio a No-Kill Community. SAPA! is the last hope for animals kenneled at the city shelter awaiting euthanasia. SAPA!'s innovative programs include saving puppies with medical needs and/or the parvovirus and caring for neonatal kittens too young to survive without trained help. SAPA!'s transportation program, Headin' Home, selects at-risk dogs in San Antonio to make the trip to nonprofit animal sheltering organizations in other states

without the pet overpopulation issues our community faces here. SAPA!'s robust volunteer and foster teams work hand-in-hand with staff to save thousands of animals who otherwise have no other options with these innovative programs. Since SAPA!'s inception in 2012, SAPA! has saved over 35,000 companion animals.

About Secure Financial Management

Secure Financial Management offers service that is personal, private, and exclusive. We aspire to have only a limited number of clients but to provide personal service to each one. We honor our relationship with you by providing customer service and attention you will not find elsewhere.

As a privately held, independent advisory firm, we are not affiliated with any bank, insurance company or investment company. By being independent we eliminate any conflict of interest that can arise from controlled by another entity.
