

March 2022

Pupdate

Dear Lifesaving Friends,

March came and went in the blink of an eye! It was an extremely busy month. We continue to have a higher number of intakes compared to the past four years. So far this year, we saved 1,241 animals, a 20% increase in dog and cat intakes compared to last year. My team and our foster volunteers and rescue partners are changing the world for so many animals that don't have anyone but us.

Thanks to our wonderful supporters, we secured enough gifts to cover the medical costs for Lucy, Shadow, Thorn, and Ivy Rose. We were able to purchase a metal shed to store our cat and dog food and other needed supplies for our Building One Rescue Center. Every gift you make significantly impacts the cats and dogs in our care.

As spring unfolds, our lifesaving team is preparing for kitten season. These fragile kittens depend on foster volunteers to care for them and help them grow. Please help us spread awareness about our need for fosters.

Lastly, we are excited to share that we are getting ready for our first transport of the year! We are partnering with Dog Is My CoPilot and 40-50 of our dogs will head up north in May. Sixteen of our dogs are already approved for transport and are seeking a loving temporary home until they soar through the sky.

Thank you for loving animals as much as we do. Happy Spring!

Rebecca Mayberry

Foster of the Month - Caitlin Winter

Congratulations to our amazing foster, Caitlin Winter, for being nominated by San Antonio Pets Alive!'s foster team as our March foster of the month!

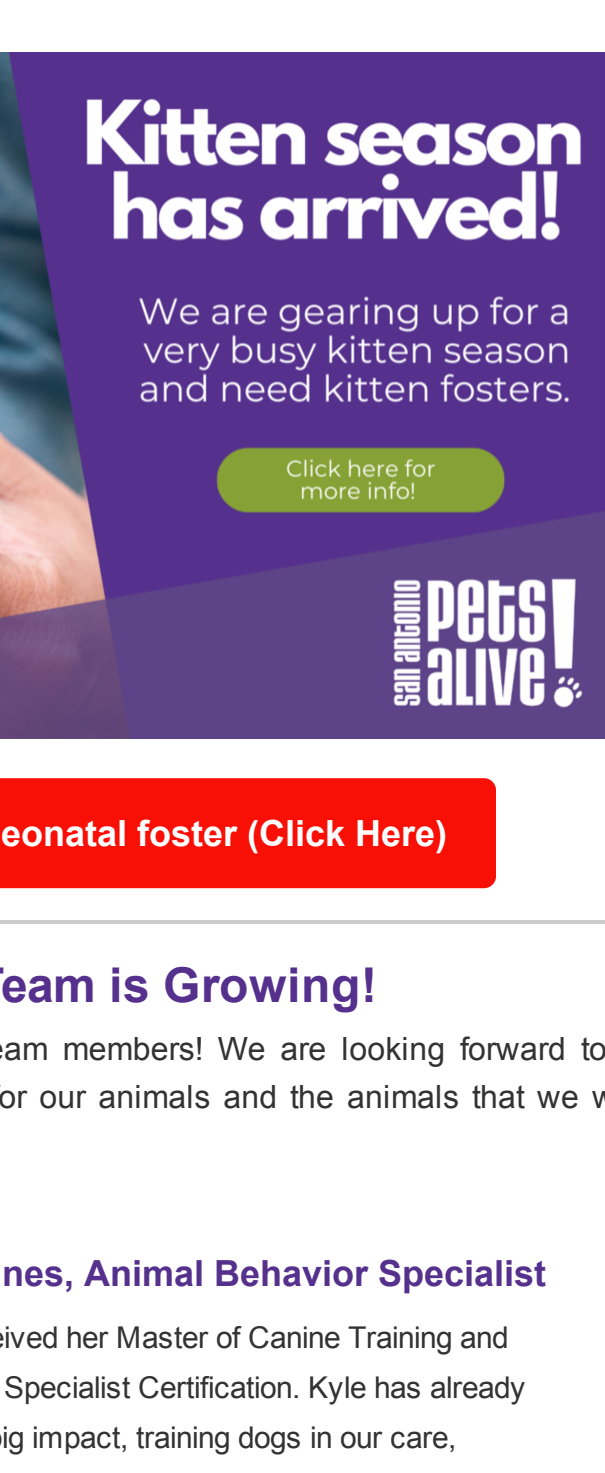

Caitlin started fostering last year and has already made a huge impact on our animals. Caitlin fosters puppies, bottle baby neonatal kittens, and kittens with medical issues. She always steps up to foster puppies and kittens that urgently need placement. Most recently, Caitlin has been fostering Ivy Rose (pictures below), a precious kitten with severe injuries. She requires lots of attention, care, and rest. Ivy Rose is in great hands with Caitlin and has already made great strides!

Shelly, San Antonio Pets Alive!'s Foster Manager says, "Caitlin is wonderful! San Antonio Pets Alive! and the animals in our care are so lucky to have her!"

We are thankful for our fosters. We could not save hundreds of lives each month if it weren't for the support of our generous fosters! Thank you!

Kitten Season

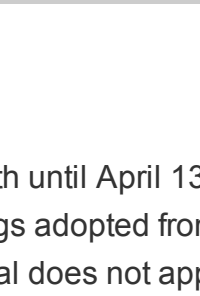

Our Lifesaving team needs your help! We need foster volunteers willing to care for fragile and innocent kittens. Kitten season has arrived, and our foster team would like to have approved fosters lined up as more kittens arrive at the city of San Antonio municipal shelter. Please consider applying to become a neonatal kitten foster.

Kitten season has arrived!

We are gearing up for a very busy kitten season and need kitten fosters.

Our Lifesaving Team is Growing!

Please join us in welcoming our newest team members! We are looking forward to a brighter future and providing the best care for our animals and the animals that we will save.

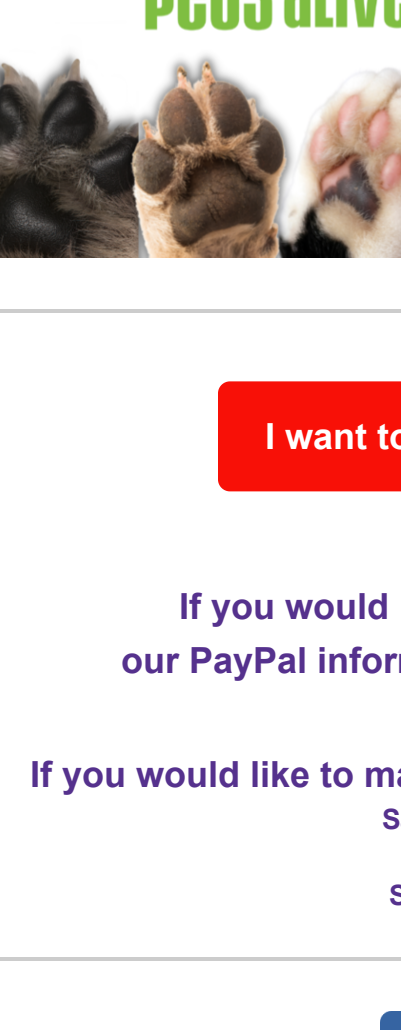

Kyle Hines, Animal Behavior Specialist

Kyle received her Master of Canine Training and Behavior Specialist Certification. Kyle has already made a big impact, training dogs in our care, instructing our team, providing enrichment to our animals, and working with fosters.

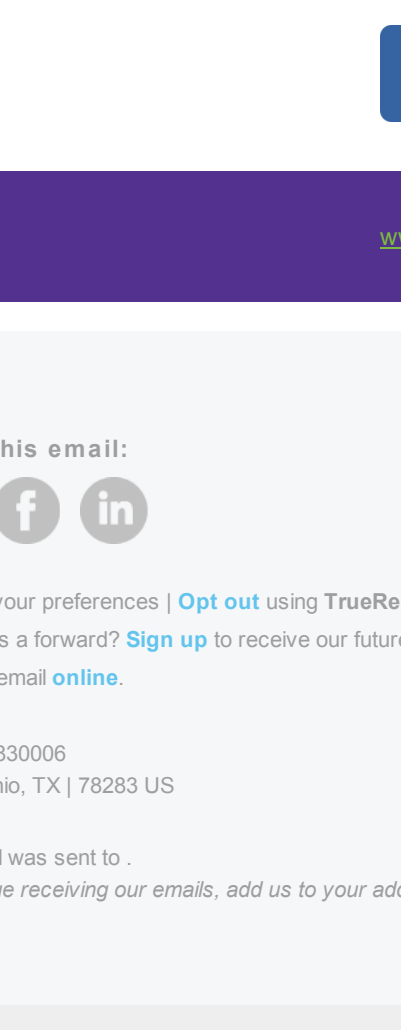

Marissa Kilgore, Senior Director of Lifesaving Operations

Marissa is new to San Antonio but has served in the nonprofit animal welfare sector in Austin and Dallas for more than 15 years. She received her BS in Business Administration and her MA in nonprofit management.

Loren Maybrier, Manager of Major Gifts

Loren has more than nine years of development experience. Loren began his fundraising career in the higher education field having worked for New Mexico State University, Texas Tech University, Kansas State University Foundation and Texas State University. Loren received his bachelor's degree from Texas Tech University. Loren has two rescue pups Otis, and Bobby!

Tarah Robinette, Senior Director of Animal Care

Tarah has been with SAPA! for more than six years but was recently promoted to our senior management team. She received her B.A. in Sociology and is completing her M.S. in Business Leadership & Change Management.

If you would like to join our lifesaving team, we encourage you to apply! We currently have positions open for a Placement Coordinator, an Animal Care Attendants, and Live Release Coordinators. Visit www.sanantoniopetsalive.org/about/careers for more information.
