Pupdate

Dear Lifesaving Friends,

April was raining puppies, and sadly it has not slowed down! There are many puppies that continue to enter our municipal shelter, and whose lives are at risk. San Antonio Pets Alive!'s locations and committed fosters have their hands full with puppies. I humbly ask that you please continue to help us spread the word about our urgent need for fosters and consider becoming a foster yourself.

I know that San Antonio Pets Alive! can count on the support of our community to rally behind us and support these precious lives, just like you rallied behind us during our "Raise Your Paw" online silent auction for the animals this past weekend.

Because of our generous supporters, we raised just over **\$40,000**, nearly double the amount of last year! We are so extremely grateful! Thanks to you, hundreds of San Antonio's most vulnerable dogs, cats, puppies, and kittens will get their second chance at life.

With gratitude,

Rebecca Mayberry
Executive Director

Foster of the Month - Danielle Sears

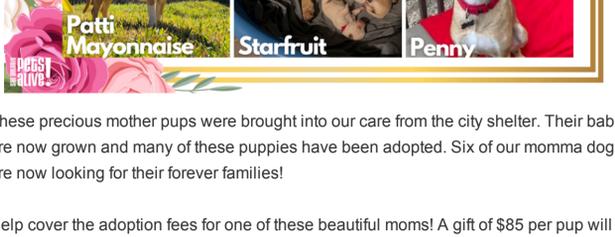

Congratulations to our amazing foster, Danielle Sears, for being nominated by San Antonio Pets Alive!'s foster team as our April foster of the month!

Danielle is a brave, unwavering foster, who has effortlessly overcome many challenges while caring for her fosters. She willingly took in a large momma dog with her 11 babies as her first foster ever and stepped up to the challenge whole-heartedly. Danielle volunteers countless hours of her time cleaning up and caring for her foster pups. She is consistent and committed to the crazy task at hand.

We are thankful for Danielle as she has successfully raised this entire litter and continues to take in more at-risk animals. Loey, San Antonio Pets Alive!'s Foster Coordinator, said, "She is a joy to be around as a foster, and as a person. Every foster and staff member Danielle meets truly appreciates her positive attitude. Though her time with SAPA! hasn't been long, she quickly became a great member of our team!"

Let's find these mothers a home!

Help cover the adoption fees for one of these beautiful moms! A gift of \$85 per pup will cover one of their adoption fees and will help them find wonderful adoptive families.

If you are interested in sponsoring one of these momma dogs, please email doante@sanantoniopetsalive.org.
