Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Notes to Financial Statements

Note 1 – The Organization

San Antonio Pets Alive, Inc. ("the Organization") is a nonprofit organization incorporated under the laws of the State of Texas on December 20, 2011. The Organization also does business under the assumed name San Antonio Pets Alive! The Organization rescues adoptable dogs and cats in danger of being euthanized at the City of San Antonio Shelter and places them in as many foster homes as possible until they can be adopted. A clinic is maintained for the examination and treatment of the rescued animals.

Note 2 – Summary of Significant Accounting Policies

Accounting Basis – The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Net assets, support and revenue, and expenses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net assets without donor restrictions – Net assets that are not subject to donor-imposed restrictions or assets restricted solely through actions of the Board of Directors (Board) are reported as net assets without donor restrictions. The Organization reports donor-restricted support whose restrictions are met in the same reporting period as unrestricted support.

Net assets with Donor Restrictions – Net assets subject to donor-imposed restrictions that will be met by actions of the Organization and/or the passage of time are reported as net assets with donor restrictions. For donor-restricted support whose restrictions are not met within the same reporting period, the net assets with donor restrictions are reclassified to net assets without donor restrictions when a restriction expires and reported in the Statement of Activities as net assets released from donor restrictions.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting year. Actual results could differ from those estimates.

Property and Equipment – All property and equipment is valued at historical cost or estimated fair market value at date of donation. Expenditures for betterments and all furniture and equipment greater than \$5,000 that materially extend the useful life of an asset are capitalized. Depreciation is recorded using the straight-line method over the estimated useful lives of the related asset, which is generally five to seven years for equipment.

Tax Exempt Status – San Antonio Pets Alive, Inc. is a tax-exempt organization under Internal Revenue Code Section 501(c)(3). Therefore, no provision for income taxes has been provided in these financial statements. In addition, the Organization is not a "private foundation" within the meaning of Section 509(a) of the Code; accordingly, donors of money and/or property are entitled to the maximum charitable contribution deduction allowed by law.

Note 2 – Summary of Significant Accounting Policies - *continued*

Tax Exempt Status - *continued*

Management is not aware of any tax positions that would have a significant impact on its financial position. Its Form 990 information returns for the last four years remain subject to examination. The Organization is exempt from the Texas Franchise tax.

Cash and Cash Equivalents – Cash and cash equivalents consist of cash on hand, demand deposits held by financial institutions and PayPal. Cash and cash equivalents in the bank as of December 31, 2019 were partially restricted as to general use due to unspent contributions subject to donor-imposed restrictions in the amount of \$18,392.

Donated Services, Material, and Facilities – The Organization receives donated services from a variety of unpaid volunteers assisting the Organization in its programs. For these types of donated services no amounts have been recognized in the accompanying Statement of Activities because the criteria for recognition of such volunteer effort under GAAP have not been satisfied. Donated materials, supplies, equipment, office rent and professional services are valued based on their estimated fair market value on the date of contribution (See Note 6).

Revenue Recognition – Revenue is recognized when earned. Contributions are reported when an unconditional promise to give or other asset is received. Gifts of securities, if applicable, are recorded at their fair market value when received.

Contributions – The Organization reports gifts of cash and other assets as restricted support if they are received with donor restrictions that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, such assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Fee for Services Revenue – During the year, a significant portion of the Organization's revenue was from fee for services under a contract with the City of San Antonio. Revenue from these contracts is recorded as qualified pets are rescued from being euthanized based on a set fee per animal.

Functional Expenses – The costs of providing the services and other activities of the Organization have been summarized on a functional basis in the Statement of Activities. Functional expenses are allocated on the basis of estimates by management. These estimates are based primarily on the nature of the expense concerned and percentages of time allocated to program services, fundraising, and general and administrative.

Concentrations of Credit Risk – Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash and grants receivable. The Organization maintains cash balances during the year that exceeded the Federal Deposit Insurance Corporation (FDIC) \$250,000 insured limits. One bank account balance exceeded the FDIC insured limit by \$129,622 as of December 31, 2019 and no losses were incurred as a result of the excess.
