Executive Director

"We refuse to let apathy, or hope that someone else will do something, stand in the way of saving a dog or cat's life."

With your generosity, San Antonio Pets Alive! accomplished so much since its inception in 2012! We want to share our heartfelt appreciation for your support helping us work towards the day no dog or cat is killed due to lack of space, adopter or foster.

It's been an amazing year for us, we saved our 50,000th life. You make San Antonio Pets Alive!'s lifesaving mission possible. The new decade will be an exciting and innovative time for us. We are so grateful you are along for the journey.

We know we wouldn't be here today without your continued support. Thank you for loving our homeless animals as much as your own.

To save animals' lives,

OUR IMPACT

San Antonio Pets Alive! (SAPA!) is a 501(c)3 nonprofit, no-kill organization that has saved lives in San Antonio and surrounding areas since 2012. We are the only high paced, high-volume rescue in San Antonio, saving more than 50,018 dogs and cats since inception.

We are the leading lifesaving organization in San Antonio.

SAPA! provides safety nets for the dogs and cats that fall through the cracks of all other options and end up on the euthanasia list, often with just hours to be saved.

These numbers are from January 1, 2019 to December 31, 2019.

SHEPPY'S STORY

Sheppy came to San Antonio Pets Alive! terribly injured with her two puppies. She had a broken leg and was unable to put any weight on her back left leg. She couldn't walk and was obviously in a lot of pain. We believe Sheppy was hit by a car.

Despite her painful injury, she was a great caregiver.

San Antonio Pets Alive!'s medical team provided Sheppy with the medical care and compassion she desperately needed. Because of donors like yourself, Sheppy received her hip surgery and recovered wonderfully. Sheppy was a passenger on our Headin' Home transport in November and is enjoying her new life in Idaho.

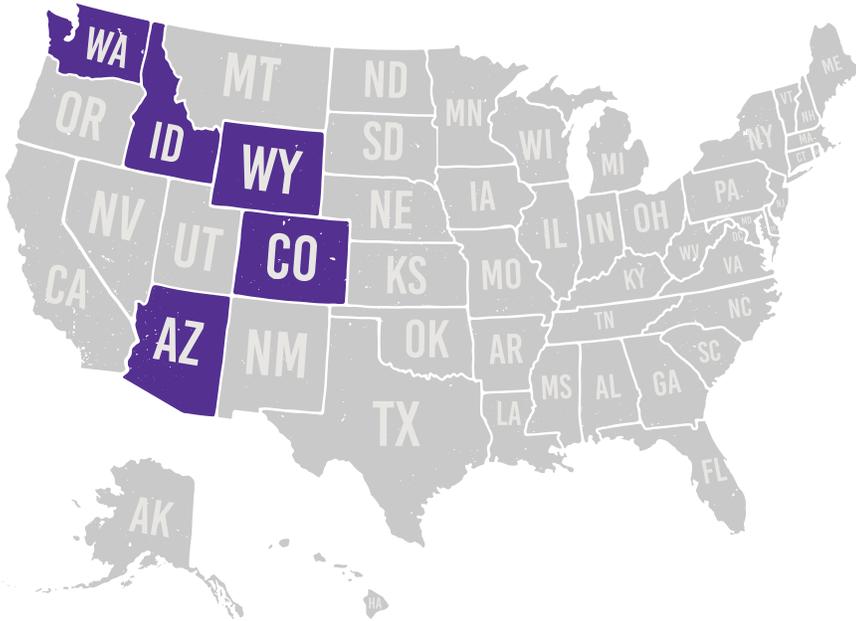

HEADIN' HOME TRANSPORT PROGRAM

It's been an exciting year for SAPA!'s transport program. In April 2019, SAPA! purchased its own vehicle, thanks to the Petco Foundation, to have the availability to have more transports and saving more lives!
