

ADOPTION

Animals find their forever families through our multiple locations, medical care center and transport program.

FOSTER

Temporary homes give dogs and cats the chance to be happy and out of a kennel while looking for their forever family. This creates space to save another animal at risk.

TRANSPORT

Relocating dogs to trusted Rescue Partners in other communities that have available space.

RESCUE PARTNERS

Trusted rescue partners who take in dogs shared through SAPA! Placement Team's marketing pleas.

MEDICAL NEEDS

Dogs and cats who need help healing from medical conditions ranging from minor to severe. 80% of SAPA! animals need medical care.
