About San Antonio Pets Alive

San Antonio Pets Alive! is a 501c3 non-profit organization dedicated to saving the lives of dogs and cats in San Antonio. The animals saved are unique in that they are rescued directly from the at risk population at San Antonio Animal Care Services (ACS) . SAPA! is the last hope for these animals and we work hard to make sure that we don’t let them down. SAPA!’s life-saving programs include the parvo puppy ward, neonatal kitten nursery, and the new transport program. Thousands of animals that otherwise have no other options are saved by these innovative medical programs. Once safe, these animals are cared for and adopted through foster and adoption programs. Since SAPA’s inception in 2012 SAPA has saved over 32,000 companion animals from euthanasia.
