November 4th and 5th*

San Antonio TX October 24, 2017 – If you’ve ever shared your life with a pet, you know: love changes everything. It changes your mornings. It changes your routines. It changes your perspective. When you share your life with a pet, it doesn’t just change your life. It can change the world for animals, which is why the Petco Foundation and San Antonio Pets Alive! are inviting the public to Discover Love this weekend at Petco.

SAPA! is the in-store partner of the Petco located at [6001 N.W. Loop 410](#) and has pets for adoption at this location every day. November 4th and 5th will be special days as SAPA! participates in the adoption weekend from 10 A.M. to 7 P.M. For these days only, SAPA! will offer 50% reduced adoption fees for dogs and cats older than 6 months.

The event also features a visit by the Tail Waggin’, SAPA!’s 26-foot adoption vehicle that holds up to 20 additional pets looking for their forever family. The Tail Waggin’ will be onsite both days so that even more pets have a chance at finding love.

The Petco Foundation, in partnership with thousands of local animal welfare organizations nationwide, has helped unite more than five million pets with loving families through adoptions in Petco stores. Additionally, the Foundation has invested more than \$200 million since 1999 in lifesaving animal welfare organizations in communities across the country.

About San Antonio Pets Alive!

San Antonio Pets Alive! is a 501c3 non-profit organization dedicated to saving the lives of dogs and cats in San Antonio. The animals saved are unique in that they are rescued directly from the at-risk population at San Antonio Animal Care Services (ACS) . SAPA! is the last hope for these

animals and we work hard to make sure that we don't let them down. SAPA's life-saving programs include the parvo puppy ward, neonatal kitten nursery, and the new transport program. Thousands of animals that otherwise have no other options are saved by these innovative medical programs. Once safe, these animals are cared for and adopted through foster and adoption programs. Since SAPA's inception in 2012 SAPA has saved over 35,000 companion animals from euthanasia.

About the Petco Foundation

At the Petco Foundation, we believe that every animal deserves to live its best life. Since 1999, we've invested more than \$200 million in lifesaving animal welfare work to make that happen. With our more than 4,000 animal welfare partners, we inspire and empower communities to make a difference by investing in adoption and medical care programs, spay and neuter services, pet cancer research, service and therapy animals, and numerous other lifesaving initiatives. Through our Think Adoption First program, we partner with Petco stores and animal welfare organizations across the country to increase pet adoptions. So far, we've helped more than 5.5 million pets find their new loving families, and we're just getting started. Visit petcofoundation.org to learn more about how you can get involved.
