**San Antonio Pets Alive! Aims to Raise Funds with 3rd-Annual Calendar Contest**

*San Antonio, TX-* San Antonio Pets Alive! launched their third annual dog and cat calendar contest earlier this month with the goal of raising funds to support life-saving programs. Anyone can enter their dog or cat in the contest via photo contest site Gogo Photo. The 12 winning pet photos will feature in their own month in the 2018 calendar, which will be sold at all [SAPA! locations](#) in the month of December.

Past calendar contests have raised over \$15,000 for San Antonio Pets Alive! while celebrating the human and animal bond. Marketing and Events Manager Erika Mullins said, "The calendar contest is a yearly event that allows the public to raise funds for homeless pets while also enjoying some fun and friendly competition with other pet owners. In the past we have sold out of our popular calendars! It's heartwarming to see how proud the contest participants are of their beloved pets."

San Antonio Pets Alive! invites everyone to enter their pet in the contest and encourage their own friends and family to vote. Don't have a pet? You can still participate by visiting the site and voting for your favorite entries. Visit the Gogo Photo contest page today to read the full rules or get started. The contest ends entries and votes on November 15th. <https://www.gogophotocontest.com/sanantoniopetsalive>

**About San Antonio Pets Alive!**

San Antonio Pets Alive! is a life-saving nonprofit organization that solely rescues dogs and cats selected for euthanasia at the San Antonio City Shelter. We save these animals after all other options have been exhausted. Our vision is to make San Antonio a No-Kill Community. SAPA! is the last hope for animals kenneled at the city shelter awaiting euthanasia. SAPA!'s innovative programs include saving puppies with medical needs and/or the parvovirus and caring for neonatal kittens too young to survive without trained help. SAPA!'s transportation program, Headin' Home, selects at-risk dogs in San Antonio to make the trip to nonprofit animal sheltering organizations in other states without the pet overpopulation issues our community faces here. SAPA!'s robust volunteer and foster teams work hand-in-hand with staff to save thousands of animals who otherwise have no other options with these innovative programs. Since SAPA!'s inception in 2012, SAPA! has saved over 38,000 companion animals.
