About San Antonio Pets Alive!

San Antonio Pets Alive! is a life-saving nonprofit organization that solely rescues dogs and cats selected for euthanasia at the San Antonio City Shelter. We save these animals after all other options have been exhausted. Our vision is to make San Antonio a No-Kill Community. SAPA! is the last hope for animals kenneled at the city shelter awaiting euthanasia. SAPA!'s innovative programs include saving puppies with medical needs and/or the parvovirus and caring for neonatal kittens too young to survive without trained help. SAPA!'s transportation program, Headin' Home, selects at-risk dogs in San Antonio to make the trip to nonprofit animal sheltering organizations in other states without the pet overpopulation issues our community faces here. SAPA!'s robust volunteer and foster teams work hand-in-hand with staff to save thousands of animals who otherwise have no other options with these innovative programs. Since SAPA!'s inception in 2012, SAPA! has saved over 40,000 companion animals.
