

Position Description

May 1, 2019

Job Title: Vet Tech (part time)

Reports To: Clinic Manager

ORGANIZATION OVERVIEW: San Antonio Pets Alive! (SAPA!) is a private nonprofit organization that saves the lives of dogs and cats that find themselves at San Antonio Animal Care Services by no fault of their own. Last year SAPA! saved the lives of more than 6,500 dogs and cats by finding them loving adoptive families, placing them in foster homes, and transporting them to other communities across the country. In addition, SAPA! provides necessary medical services to ensure each pet is healthy and happy.

JOB SUMMARY: Responsible for the medical care and monitoring of the health and welfare of animals under the direction of staff veterinarians in a shelter environment. Responsible for performing Veterinary Technician duties as assigned. Support San Antonio Pets Alive's mission. The SAPA medical program uses a set of protocols under the direction of a licensed veterinarian. We use the highest standards of care when treating SAPA patients and communicating with SAPA clients, fosters, volunteers and employees. The SAPA medical program plays a vital role in the organization and is a fast-paced environment. We actively treat ailments including Parvo, Ringworm, Mange and many other illnesses daily. Must effectively be able to read, speak, and write in English. Must have basic computer literacy skills and be able to handle multiple unrelated tasks simultaneously while working in a busy environment. Must also be able to lift 50 pounds, work on feet all day, and write legibly. Must be customer service oriented, friendly, and work well with a team.
